MEMORANDUM FOR RECORD

1. This memorandum contains a recommendation submitted for concurrence of the undersigned. Such recommendation is contained in Paragraph 5.

Contract DK-3663 Amendment No. 1

2. The services and equipment being procured by this Contract No. DK-3663 are in furtherance of the TAGBOARD Program(s), the nature of which cannot be publicly disclosed for security reasons. The undersigned Contracting Officer therefore determines that this procurement must be accomplished by negotiations pursuant to the authority of Section 3(a) of PL 81-110 and Class Determination and Finding, OXC-2122, signed by the DDCI on 15 October 1961.

3. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956 which, in effect, results in all covert expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 8(b) of Public Law 110, 81st Congress (formerly 10(b) - see 85-507 dated 7/7/58) for each contract.

4. The following comments describe the procurement hereby effected, the terms and provisions generally of this contract/amendment, and a resume of major issues negotiated:

The Contractor submitted his final claim per the price redetermination provisions.

	<u>Per Contractor</u>	<u>Per Books</u>	<u>Per Auditor</u>
Costs			
Profit			
	\$600,000.00	\$600,000.00	\$600,000.00

The cost differences between the Contractor's proposal and the Auditor resulted from the Auditor's use of 1963 overhead and C & A rates as negotiated for SB-3661. The Contractor used book rates adjusted by various disallowance factors. The Contractor proposes \$600,000.00 as the final price which the Contracting Officer deems acceptable in view of the Auditor's cost figures

By concurrence to this memorandum the Deputy for Technology signifies that the study was satisfactorily completed.

It is requested that the Chief, Budget and Finance Branch formally notify this office when final payment has been effected.
